

# School Leaver Employment Supports (SLES)

## Available supports and skills building activities include:

- money handling skills

- time management skills

- Communication skills

- Discovery activities

- Work Experience

- Job Ready Skills

- Travel Skills

- Personal development skills

Legacy Lifestyle Supports is a registered NDIS provider for SLES.

We provide a tailored support that include career guidance, counselling and capacity building services, helping our participants to build job skills, confidence and independence.

We work with schools, parents and the local community to support the pathway from school to employment.

SLES is available to NDIS participants from the age of 15 years and 9 months to 22 years.
